

TRANSPORT

ALUMINUS

Powerful liquid cleaner and brightener for removing oxides, pitting, dirt, diesel and smoke from aluminium surfaces.

AUTOSHEEN

Highly concentrated car wash detergent which leaves a hard, resilient, shiny finish.

CARBONEX 250

Water based decarboniser. Can be used in dip or spray applications.

CS 24

Decarboniser for aluminium engines.

DE-ICER

Specially formulated for use on windscreens, locks, windows, pipes and valves. Helps to prevent re-icing.

ELECSOL

Safer solvent for removal of grease, dust, oil, dirt, fat and carbon. Ideal for use on brake shoes.

FREEIT

Penetrating, de-rusting and lubricating agent. Used for freeing seized parts.

HI-TEMPREZE

High temperature, high pressure, anti-seize lubricant.

KLEEN-SCREEN

Windscreen additive and on-smear glass cleaner.

LECTROTECT

De-watering, anti-corrosion fluid for all electrical equipment.

POWACLENE TFR

Highly concentrated traffic film remover for use on tanker fleets, cars, bulk storage tanks, road signs and garage facilities.

POWASOL 20

Heavy duty, emulsifiable degreaser containing its own rust inhibitor.

POWASTEAM 200

Powerful steam cleaner additive.

SILITECT

Silicone coating to give that extra finish to dashboards and vinyl.

SOAK-UP GRANULES

Spill absorbent granules.

SUPASOL HYDRO

Concrete floor cleaner. Cleans off oil, tar and bitumen.

UP-N-AWAY

Upholstery cleaner.
